Learning Schedules

If ETHS needs to begin the 2020-21 school year blending both in-person learning at school and e-learning at home in order to follow health and safety guidelines, please rank the scheduling options presented below from most preferred (1) to least preferred (3).

	Students N = 1192	Parents/Guardians N = 1900
In-person school one week and then learning at home the next week. #1 parents / #2 students	620 (52.1%)	1119 (58.9%)
In-person school on only certain days of the week (e.g., Monday, Wednesday, and Friday or Tuesday and Thursday). On the days you are not at school in person you would be learning remotely at home. #1 students / #2 parents	627 (52.6%)	1100 (57.9%)
Learn remotely at home full-time (e-learning every day). #3 both	727 (61.0%)	1347 (70.9%)
No Response	98 (8.2%)	150 (7.9%)

Learning Schedules

If schools are not open every day for in-person learning for all students, ETHS needs to consider which experiences to prioritize for students while they are in school. What are the most important experiences for you to have while attending school in-person? Choose up to three (3).
