Minutes

- Dr. Bavis provided an overview of the Curriculum Forum highlighting that the purpose of the Curriculum Forum is to give feedback on textbook proposals and that the Forum is not a decision-making body.
- Dr. Bavis provided an overview of the textbook proposal process.
- Department Chairs provided brief overviews of textbook proposals.
- Nicole Parker highlighted the need for World History Interactive and how it is aligned to our literacy needs for incoming 9th graders.
- Ms. Livatino outlined the pressing need for a Wellness textbook given the sensitive nature of state-mandated content. Teachers acknowledged how having a board-approved textbook would provide teachers with support in implementing these topics.
