Dear Parent/Guardian and Student:

Congratulations on achieving a fifth/seventh semester cumulative GPA of 3.0 or better. In earning excellent grades, you have satisfied one of the requirements for membership in the Evanston Lighthouse Chapter of the National Honor Society. If you are interested in being considered for membership in the National Honor Society, you must **attend one** of the following meetings.

- | | | |
|--------------------------------------|---|--|
| Before school at 7:35 a.m. | - | Thursday, February 15 & Friday, February 16 |
| 4 th period at 10:58 a.m. | - | Wednesday, February 14 |
| 5 th period at 11:45 a.m. | - | Thursday, February 15 |
| 6 th period at 12:32 p.m. | - | Friday, February 16 |
| 9 th period at 2:53 p.m. | - | Thursday, February 15 & Friday, February 16 |
| After school at 3:40 p.m. | - | Wednesday, February 14 & Thursday, February 15 |

All meetings will be in A-115 and will start promptly. Each will be about 30 minutes long and **you must be able to stay for the entire meeting**. You may attend school day meetings only if you do not have a class. I will explain the selection procedure, answer questions, and describe the forms you will need. You **must** attend a meeting to be considered.

Each year we are pleased that there are a large number of students who satisfy the scholarship requirement. However, because there is such a large number, **it is not possible to extend the deadlines for any reason**. In the past some students have been disappointed that extensions were not allowed. An unexpected absence or some other unforeseen circumstance could cause you to miss the deadline, thus, I strongly advise you not to wait until the last minute.

I look forward to meeting you at one of the meetings.

Sincerely,

Charles Abplanalp, Sponsor, National Honor Society
