2019-20 Salary Schedule - This schedule includes the planned 75% of CPI increase as the COLA. If a property tax freeze is in effect as of 8/1/19, salaries will revert back to the 2018-19 schedule (but teachers will receive step increase for 2019-20). If a property tax freeze goes into effect between 8/2/19 and 8/1/20, the 2020-21 COLA will not occur.
