ETHS D202 to hold February 27 workshop on goals

On February 27, 2016, the Evanston Township High School District 202 Board of Education will hold a day-long workshop at ETHS, room N112 from 8:00am-3:00pm, as part of the goals revision process that was launched in the fall 2015. The workshop will welcome input regarding the District goals.

The workshop is a public meeting that will be facilitated by a representative from the Illinois Association of School Boards and will be built around a structured, yet informal, day of collaborating, listening and learning among school board members and representatives from the school and the community at large. Using the feedback from the meeting, the board will revise a system-wide set of goals.

This is a public meeting. There will also be invited participants in the workshop to assure broad-based school and community representation.

If you would like to attend, please RSVP no later than **February 18, 2016** by [clicking here](#) or email goals2020@eths.k12.il.us. Refreshments will be served.
